STATINTL

The transcript of your college record has recently been received in this office.

A careful review is now being made of your statement of education, training, and experience. Appropriate members of our staff will have an opportunity to determine whether we have a position available for a person of your qualifications (in the light of our present personnel requirements). Although such a review may require several weeks, every effort will be made to reach an early decision. Should there be unavoidable delays of any reason in your case, we shall do our best to keep you as fully informed as possible regarding its status.

In the meantime, if you should have any questions, please feel free to get in touch with us by mail. We ask your patience and assure you of our desire to make this period as short as is compatible with the careful review to which we feel each case is entitled.

Sincerely yours,

STATINTL
